

Delia Memorial School (Broadway)
LAC Proposed Year Plan (Mathematics)

2006 – 2007

Background and Objective

The objective for the LAC committee is mainly to ensure quality teaching and quality learning:

For teachers

1. To provide support to teachers
2. To share experience among teachers in the teaching strategies in mathematics.

For students

1. To arouse the interest of students in mathematics.
2. To help students learn to the best of their abilities.

SWOT

A. Strengths

1. A close relationship between teachers and students compared to other traditional schools.
2. Some experienced teachers can be the consultants to new teachers.
3. teachers are energetic and willing to accept new challenges

B. Weaknesses

1. Some new teachers have to get used to teach our students because they are different from local students in many aspects.
2. Students are generally poor in mathematics when they are admitted to our school.
3. Students are lack of interest in mathematics

Implementation Plan

1. *S1 QEF Scheme*

The objective of this scheme is to arouse the interest of our students in Mathematics by adding pre-learning activities for our S.1 students.

2. *Peer Observation*

Teachers share teaching strategies which to be discussed through peer observation.

3. *Preparation Period*

A preparation period is proposed for mathematics teachers teaching junior forms so that teachers can share teaching experiences and materials and the teaching progress can be monitored.

4. *IT Resources*

Folders are made under the subject folder in school\$ for teachers. They can share their teaching materials such as notes, exercises, quiz, etc.
