Dear Dr CHAN,

**Visit to Delia Memorial School (Broadway)
on 23 March 2010**

I write to thank you and your colleagues for arranging and accompanying me on my visit to Delia Memorial School (Broadway) on 23 March 2010.

The school tour, while brief, was interesting and informative, and has allowed me to understand more about the academic and extracurricular activities of your school. I was impressed by the creative and artistic ideas presented by the students on the display boards. They must have put in a lot of time and effort on the project. I appreciated the opportunity to watch how Chinese language class was conducted for non-Chinese speaking students. I enjoyed greatly the conversation with some of your students. They readily shared with me the challenges they face in learning the Chinese language and their future career aspirations.

Please convey my thanks to your colleagues and students. I hope to have the opportunity to visit the School again some time in the future.

Yours sincerely,
