According to the New Senior Secondary (NSS) structure which has commenced since September 2009 in Hong Kong, all S4 students will be offered subjects of different natures which may suit their abilities and interests. That means, no more specific Science or Art streaming will be maintained. The following are S4 subjects which the School intends to offer in 2010-11.

Subjects may be offered in S4

The School will allocate students to **2 different elective subjects** with reference to the following criteria:-

- ✧ Students' academic abilities and performances;
- ✧ Students' interests and preferences;
- ✧ Teachers' recommendations on students;
- ✧ Available resources in school (e.g. Only electives with more than 15 students will be offered).

At this preliminary stage, we would like to know S3 students' intention of their S4 choices for different subjects. As it is explained in the S3 NSS Assembly, the school will offer **different elective subjects at different timeslots**. The preference from students is crucial in deciding that. Please complete the form below and instruct your child/ward to submit to his/her class teachers **on or before 24<sup>th</sup> February 2010**. Late submission will not be considered. The form for "Choice of Elective Subjects (Phase 2)" will be given in early March 2010. Should you have any queries, please feel free to approach our teachers. Thank you for your attention.

Yours faithfully

Dr K P Chan
