

DELIA MEMORIAL SCHOOL (BROADWAY)Notice to Parents / Guardians16th December 2011

Dear Parents / Guardians

Study Room for S6 & S7 Students 2011 - 2012

Please be informed that the School is going to arrange a study room for S.6 and S.7 students who are going to sit the public examinations in April - May next year. The commencement date will be after the Christmas and New Year holiday. The aim of arranging a study room is to help students to prepare for the public examinations by providing them a silent place for doing revision in school. We also want students to be able to obtain moral support from their classmates.

We do hope students can make good use of the study room for their revision. The study room will be available from 4:30 to 7:00 p.m., Monday to Friday on schooldays.

Students who use the Study Room are expected to do revision without causing disturbance to fellow users. And students who intend to use the Study Room have to sign up every school day. Moreover, there are a limited number of seats in the Study Room. Seats are available on the first-come-first-served basis. A SMS message will be sent to inform parents after 5:30 pm that their children use the Study Room.

Yours faithfully,

 K.C. Lo
Principal
