

DELIA MEMORIAL SCHOOL (BROADWAY)Notice to Parents / Guardians8th May 2019

Dear Parents / Guardians

S4 Students taking Mathematics Module 1 (M1)

In order to cater for students who have different needs, interests and orientations, our school is going to offer the Extended Part Module 1 (Calculus and Statistics) of the Mathematics curriculum for S4 students who are interested in pursuing additional mathematics knowledge and who can satisfy the following criteria:

- students attaining marks with 80 or above in the 2018-2019 First Term Mathematics Exam OR
- students obtaining recommendation from their S4 Mathematics Teachers

Selected students have to attend the lessons for Mathematics Module 1 **every Wednesday after school** according to the date and time shown below.

S4	Date	Time & Venue
Mathematics Module 1 (Calculus and Statistics)	May: 16th, 20th, 23rd, 30th June: 3rd	3:45 pm to 5:30 pm Rm 238

This taster programme aims to let our S4 students taste and try to see whether they are really interested and capable of taking this extended part of the Mathematics curriculum. Thus, we hope that once the students have applied and been selected by the School for taking this programme, parents / guardians can encourage and remind their child/ward to attend the above lessons punctually and consistently so that they can prepare themselves very well for the M1 to be taken in S5-S6 and finally attend the HKDSE. In other words, students who have NOT taken this programme in S4 cannot take the S5-S6 M1 lessons and apply for the M1 exam of the HKDSE.

Parents / guardians please sign the reply slip below and instruct your child / ward to bring it back and return it to his / her Mathematics teacher on or before 10th May 2019 (Friday).

Thanks for your attention.

Yours faithfully

K.C. Lo
Principal
