

DELIA MEMORIAL SCHOOL (BROADWAY)

Notice to Parents / Guardians

7th February 2020

Dear Parents / Guardians

2019-20 S6 Mock Examination (Home E-Mock)

Due to the New Coronavirus Epidemic, the EDB has announced school closure till 1st March. This has affected our S6 Mock Examination which is essential to students' preparation for the HKDSE. According to the concern of public health, it is inappropriate for students to attend school and we will change the mock examination into a home-administered mode of operation. Students need to sit for the mock examination at home. Every student needs a timer, a computer or a smart phone, pens and enough pieces of single lined paper/blank white paper. Students should write the examination papers according to the latest schedule exam timetable starting from Monday, 17th February till 28th February. Please note that the English Speaking Exam will be cancelled and examination papers will not be sent.

We are using an **HONOUR SYSTEM** for the Home E-Mock. We have strong expectations that all students will not violate the rules of examinations. This is crucial since students should make good use of this last opportunity to prepare themselves for the HKDSE. Parents need to arrange a quiet and suitable environment for students to attend the Home E-Mock. Students may download the examination papers according to the latest schedule exam timetable in the school gmail account starting from **8:00 am**. Students should count their time with a timer and finish writing the answers within the time limit. After finished writing the papers, students should take a **CLEAR** photo of each page of the answer sheets (photo files); ensure the answers in the photos are clear enough for marking purposes. Students then need to send the photo files to a specific e-mail account. All answer sheets must be sent before **5:00 pm** on the same day as the scheduled exam. All answer sheets sent after 5:00 pm will be regarded as late submission and will not be marked. Students may refer to the Attachment for the procedures.

The marking schemes will be sent to students' school gmail account on 2nd March and teachers will send the marked answer sheets to individual students through school gmail after one week of the submission date. With the help of the Home E-Mock, students should make good use of their study leave to prepare themselves well for the HKDSE.

As this Home E-Mock is used as a practice purpose for the HKDSE, the marks will not be counted in the report card. The final report card will only show students' first unified test results and general performance of the whole year. We would like to emphasize once again that students should make good use of this last opportunity to learn about their strengths and weaknesses. Students should be serious to do the Home E-Mock though it is changed to a home-administered mode.

Please contact Ms Cheung WS at 27422028 if you have any enquiries. Thank you for your attention.

Yours faithfully

K.C. Lo
Principal
