

DELIA MEMORIAL SCHOOL (BROADWAY)Notice to Parents / Guardians17th March 2021

Dear Parents / Guardians

S1 to S3 Online Tutorial Lessons (Second Term)

It is the school's aim to improve our students' academic performance, especially in major subjects such as Chinese Language, English and Mathematics. Foundation training in junior forms can help students to be well prepared for their further studies. In this school year, tutorial lessons for 3 subjects will be arranged in order to attain our aim. The tutorial classes will be small (no more than 35 students) and conducted by our teachers. Due to the half day school timetable being adopted at this moment, all the tutorials will be conducted online. Face-to-face tutorials will only be conducted after the whole day school timetable is adopted.

For CSL tutorials, Group 4 and Group 5 students have to attend and the arrangement is the same as the First Term. For English and Math tutorials, class teachers will inform the selected students individually. Students will have to attend the English and Math tutorials after Easter Holiday if they are informed by class teachers. The second term tutorial lessons will start from 12th April 2021 (Monday) to 11th June 2021 (Friday). **A light demerit will be given if students have been absent twice without a parent's letter and a doctor's certificate.** Thank you for your attention.

Yours faithfully

K.C. Lo

Principal
