

**DELIA MEMORIAL SCHOOL (BROADWAY)**Notice to Parents / Guardians30<sup>th</sup> June 2021

Dear Parents / Guardians,

**Permission for Student Participation in HKU/EmpowerU*****PowerThru Summer Enrichment Program 2021***

We are partnering with EmpowerU, a local nonprofit organization that serves ethnically diverse Hong Kong communities and the University of Hong Kong. They are offering a series of two-week-long courses in July and August this summer. The courses will be taught online and at The University of Hong Kong and will cover Law, Computer Programming, Business/Entrepreneurship, Health and Well-being, and Social & Emotional Learning. Students can enrol in different courses based on their schedules this summer. These courses are usually \$500 HKD each, but through a generous donation from a local organization, **all students who enrol will receive a 100% scholarship**, so that the courses are absolutely free of charge. Please scan this QR code for more information on the courses:

Please sign in the permission slip below and instruct your child / ward to have it returned to his / her class teacher on the first day of their in-person class.

Thank you for your attention.

Yours faithfully,

K.C. Lo  
Principal
