

**DELIA MEMORIAL SCHOOL (BROADWAY)**Notice to Parents / Guardians6<sup>th</sup> October, 2021

Dear Parents / Guardians,

**Ordering of Winter Uniform (for S1 students)**

The school has had the practice of devoting ourselves to disciplinary work. In order to ensure the uniformity of the attire of the student to uphold a good image, we have set strict stipulations on the school uniform.

Owing to the current prevailing chilly weather, we would like to request you to get your child's winter uniform ready in time for the change of the school uniform. The samples of the various stipulated school winter uniforms are currently on display in front of the general office for your reference. You may make the uniform by yourself, purchase one or order from the school for a set. However, please ensure that the style, colours and the materials of the uniform are identical to those stipulated by the school.

Attached below is the information of the winter school uniform made to order for students:
