

DELIA MEMORIAL SCHOOL (BROADWAY)

Notice to Parents / Guardians1st March 2023

Dear Parents / Guardians of S.5 students,

Travel Documents for the S.5 CS Mainland Study Tour in 2022-23

Please be informed that the School, with the support of Education Bureau, is going to organise a study tour for the HKDSE core subject, Citizenship and Social Development (CS), to mainland China in this academic year, 2022-23, after the border is open. The mainland study tour is a MUST for all students according to the curriculum requirement.

After checking students' travel documents for the mainland study tour, it is found that your child/ward may *not* have the necessary official travel document(s) ready, maybe it is the passport and/or Home Return Permit (officially called Mainland Travel Permit for Hong Kong and Macao Residents). And application for visa to mainland China needs to be done once details of the mainland study tour are fixed. Please take note of the following:

- (1) **For students holding a passport other than HKSAR passport** and the passport has expired or is going to expired (in less than 6 months from the date of the mainland study tour which would be expected to be in May), please renew the passport *as soon as possible*;
- (2) **For students holding a passport other than HKSAR passport**, once students are told the details of the upcoming mainland study tour, please proceed to apply for *the visa* for visiting mainland China. And a letter from the School for facilitating the application of the visa will also be provided in due course. (**Note:** the application fee for the visa can be subsidised by the school, please provide the receipt for reimbursement.) *or*
- (3) **For students holding a HKSAR passport** but *do not* have a Home Return Permit or the Home Return Permit has expired, please make an appointment with the China Travel Service (<https://www.ctshk.com/pass/bookterms.jsp>) to apply for or renew the Permit (**Note:** A special date in March (i.e. Sunday) can be arranged for our teachers and students to apply for or renew the Home Return Permit and this privilege can only be granted to those who have made an appointment so that they can join the mainland study tour. The earliest appointment reservation can now be made near end of May. Please be quick to do so.).

Thank you very much for your kind attention.

Yours faithfully,

K.C. Lo

Principal
