

DELIA MEMORIAL SCHOOL (BROADWAY)

Notice to Parents/Guardians20th March 2023

Dear Parents/Guardians,

Choice of Elective Subjects for 2023-24 Secondary 4 NSS Curriculum

The school intends to offer the subjects listed in the reply slip below for S4 students in 2023-24. Students are offered subjects of different natures which may suit their abilities and interests.

The School will allocate students to **3 different elective subjects** with reference to the following criteria:

- ✧ Students' academic abilities and performances
- ✧ Students' interests and preferences
- ✧ Teachers' recommendations on students
- ✧ Available resources in school

At this stage, we would like to draw parents' attention to the decision of your child's elective subjects. Students have to try their best to look for information and consult their teachers or parents for more information so as to make their right decisions. Please remind your child to be proactive and serious during the entire process. Then, please complete the form below and instruct your child/ward to **submit it to his/her class teachers on or before 31st May 2023**. **The school will allocate students who do not submit their forms or who submit late at our discretion.** The results will be released in July. As it has already been explained in the S3 Elective Subject Introduction, **the school will not entertain any request about change of elective subjects after the submission of reply slip. The final decision of the allocation of the elective subjects to all students will be made by the school.** Should you have any queries, please feel free to approach our teachers. Thank you for your attention.

Yours faithfully,

K.C. Lo
