Dear Parents,

Online Application
Household Application for Student Financial Assistance Schemes (Household Application)
for 2023/24 School Year

The Household Application for Student Financial Assistance Schemes for the 2023/24 school year will start accepting applications soon. Needy families may submit applications to the Student Finance Office (SFO) of the Working Family and Student Financial Assistance Agency to apply for student financial assistance for students at pre-primary, primary or secondary levels.

SFO encourages applicants to **apply online**. Applicants **applying online** will receive subsidy earlier than those using paper-based application forms. Continuing applicants who have submitted the completed application and supporting documents online on or before 31 May 2023, met the relevant eligibility criteria and passed the mean test will receive the provisional School Textbook Assistance and Subsidy for Internet Access Charges (if applicable) from around mid-July 2023. In addition, using E-form is convenient and saves time. Applicants may complete and submit applications online with their personal computers or smart phones and upload supporting documents online anytime and anywhere. Applicants no longer need to submit applications in person or by post, and this can also save money on postage and photocopying.

¹ If continuing applicants has indicated in their 2022/23 household application that they need paper-based application form for the next school year, apart from issuing to them a paper-based form for the 2023/24 School Year pre-filled with the applicant's basic information, SFO will also issue to them an access code for making online application.
