School Song

Sing, O Sing-Our hearts we raise
To Delia Tetreault in worthy praise.

In school, at home,

In days to come,

We learn, we play in wiser ways.

*Refrain: Yes we come under your banner,

Voices blend in hail to you.

The years may come and go,

Still in our hearts we know,

We'll remain true Delians ever.

The Happiness that Really Exists in Life

Congratulations to Class of 2023 on successfully completing your High School life at Broadway.

2023 is a special year for us. This year we celebrated our 50th anniversary. This is also the year we finally do not need to wear masks to attend our graduation ceremony after three years.

Since the founding of Delia Memorial School (Broadway) in Mei Foo in 1972, we have taken great pride in providing students from diverse backgrounds with a strong educational foundation and achieving remarkable success.

Before you leave this HOME, I have some words that I want to encourage each other with you.

First of all, I would like to share with you the three Chinese words ‘小確幸 (siu2 kok3 hang6)’ which means ‘a little fortune or a little happiness’. Finding a little happiness every day is very important for people who live a simple life. But never let ‘a little happiness’ get in the way of your chance to achieve ‘a big happiness’ in the future.

The famous Chinese philosopher Confucius once said, "The greatest happiness is to be content with little." Perhaps these words need to be embellished from time to time with the joy of life. However, if too much emphasis is placed on being content with the status quo, it is easy for people to become complacent and not strive for progress. As young and mature individuals, you need courage and versatility. The world before you is beautiful but chaotic in values. It is important to have high aspirations. Instead of merely enjoying the "little happiness" of contentment, it is better to set goals and embrace change. Only by broadening your horizons and pursuing your dreams can you truly fulfill the desires in your heart.

Second, cultivate your ‘confidence’. People with self-confidence comes from complete self-awareness, self-reflection and the courage to face challenges

bravely. They are able to respond quickly to external crises and deal with them appropriately. After each challenge, they feel a sense of accomplishment in overcoming the difficulties. Confidence represents an attitude. With faith, you not only believe in yourselves but also trust others. In this way, it is easy to build good relationships. Therefore, believe that you already have enough talents. Everyone should feel free to go ahead. Never be afraid of failures and setbacks. Get up in the fall and move on. Never settle for ‘a little bit of luck’ or “a little bit of happiness.”

Third, you must develop a vision. Vision mostly depends on good values and courage. We often say that character determines destiny and attitude determines altitude. You must have the right values like kindness, honesty, justice and courage. If you have a positive attitude towards life, you can face various difficult trials in the future. A wise person must have creative thinking and adaptability. Keep developing your vision and looking at the present and the future with a positive attitude.

On the road of life, we often face the temptation of profit and evil, but we must be careful not to take the wrong first step. Stay vigilant, move forward boldly and take each step of life steadily so that you can enjoy the fruits of your efforts.

Congratulations once again, Class of 2023! We wish you all the best in your future endeavors and may you continue to strive for greatness with confidence, vision, and a positive attitude.

Message

Graduation Ceremony

Delia Memorial School

Broadway

*Gather 'round, dear graduates,
And let us take a pause,
To celebrate the journey
That has brought us to this cause.*

*We've climbed the hills and valleys,
Through hardships and through joys,
And now we stand together
To hear the final voice.*

*The voice that speaks of endings,
But also of beginnings,
Of paths that lie before us,
Of new and wondrous winnings.*

*The future is uncertain,
But we have strength and skill,
And with our heads held high,
We'll climb the highest hill.*

*So let us raise our voices,
In cheer and in acclaim,
For all that we've accomplished,
And all that we'll attain.*

*Congratulations, graduates,
You've earned this time of pride,
And as you move ahead,
May fortune be your guide.*
