

## **Wondrous Journey and Beautiful Companionship**

On the 21st and 22nd of September 2023, the entire faculty of Delia Memorial School (Broadway) embarked on a journey to China that left us with a profound sense of awe and enlightenment. Our visit included several notable places, each of which offered unique insights and experiences.

### **Lin Zexu's Opium Destruction Pool and Opium War Museum**

Our educational journey began with a deep dive into history at the Opium War Museum. The historical artifacts on display were not only extensive but also of exceptional quality. We were immersed in the rich history of China and Hong Kong, learning about the valiant efforts of those who fought against the opium trade. Witnessing how ingenious individuals in the past devised methods to destroy opium was both humbling and inspiring.

### **Innovation Bay**

Our visit to Innovation Bay shed light on the intricate connection between Hong Kong and Nasha. We were greatly impressed by China's unwavering support for the development of Hong Kong, particularly its dedication to fostering entrepreneurship among the youth of Hong Kong and Macau. The emphasis on promoting Guangdong-Hong Kong-Macao youth exchanges and integration, along with the allure it holds for young talents from these regions to contribute to the Greater Bay Area, left us inspired.

## GAC Technology Museum

The GAC Technology Museum opened our eyes to the cutting-edge developments in the automobile and electric car industries. It was astounding to witness the significant incorporation of low-carbon and environmentally friendly construction technology and materials, seamlessly blending technology with the beauty of nature. The presence of an automatic coffee machine added a touch of modernity to the experience, highlighting the fusion of innovation and convenience.

## Nansha Tianyuan School of Guangzhou No.2 High School

Our visit to the Nansha Tianyuan School was a testament to China's commitment to education. The vast and meticulously maintained school campus was truly impressive. What struck us even more was the discipline and orderliness of the students. Our interactions with teachers from both schools were enlightening, as we exchanged valuable insights into teaching and management practices. This visit has laid the foundation for future cooperation between our schools, further enhancing the quality of education and nurturing outstanding students. The friendly matches of badminton and basketball were not just about sports but also about fostering camaraderie.

## Wondrous Journey; Beautiful Companionship

In summary, our visit to China was a profound journey through history, innovation, and education. We not only gained invaluable knowledge about China's past and future but also developed a strong sense of belonging to this remarkable nation. We were deeply touched by the warm welcome and hospitality extended to us by our sister school. The bonds of friendship between our schools have been strengthened, and we are committed to

maintaining this connection, learning, and growing together. This trip was indeed a **wondrous journey**, and it reinforced the **beautiful companionship** between Delia Memorial School (Broadway) and our sister school, Nansha Tianyuan School of Guangzhou No.2 High School in China.
