20<sup>th</sup> January 2026**PTA Parent Survey and Parents Talk Materials**

Dear Parents,

Our school psychologist, Ms. Joyce Tse, gave an insightful talk on “Parents’ role in students’ learning at home,” during the PTA AGM in September and the presentation materials are now available for your reference.

On the other hand, we would also like to invite your ideas through an online survey to help us organize activities that best suit our school community.

Thank you for your support. I look forward to a wonderful year together and seeing you at future events!

Sincerely,

Ms. Rehmat Samina Chairperson)
