Dear Parents / Guardians

**S3 Tutorial Lessons (Second Term)**

It is the school's aim to improve our students' academic performance, especially in major subjects such as Chinese Language, English and Mathematics. Foundation training in junior forms can help students to be well prepared for their further studies. In this school year, tutorial lessons for 3 subjects will be arranged in order to attain our aim. The tutorial classes will be small (no more than 35 students) and conducted by our teachers.

In order to provide more Math lessons for your child/ward, we would like to inform you that your child/ward has been selected to join the S3 Math Tutorial.
